

ODORMUTE™ URINAL TABLETS

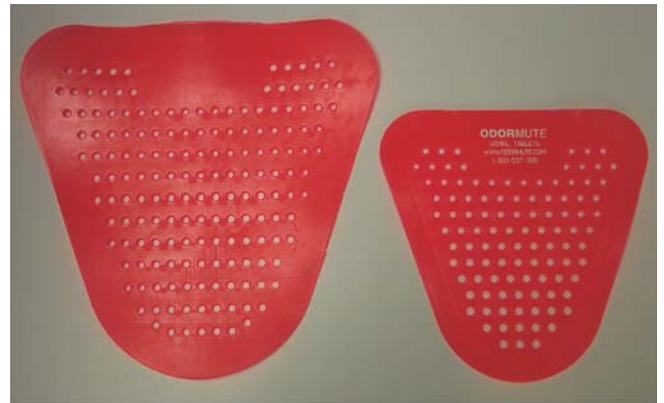

Exclusive Enzyme formula urinal tablets solve major urinal problems, safely. Powerful tablets eliminate urinal odors by chemically changing the source of the odor. Enzymes dissolve urinal stone and organic buildup that cause hard-to-handle problems. Tablets are also effective in toilet tanks to remove scale/hard water stain. The blue, 1 1/2" in diameter by 1/2" thick tablet is odorless and works by actually removing the source of the problem, not just masking the odor. Available for private label in various colors or with added scents if preferred. Does not contain paradichlorobenzene.

- Item #750 – 24 Tablet Carton
- Item #751 – 100 Tablet Bulk Carton
- Item #752 – 6 Tablet Display Pack

- Item #105 – 5 lbs. in 1 lb. polybags
- Item #106 – 10 lbs. in 1 lb. polybags
- Item #107 – 25 lbs. in 1 lb. polybags

**ODORMUTE™
COMPOSTER FORMULA™**

Composter Formula is a blend of helpful bacteria and organic enzymes. In nature, these bacteria and enzymes are responsible for the breakdown and decay of organic matter. Composter Formula makes it easy to create a pure, rich compost. All organic waste such as leaves, grass clippings, kitchen leftovers, damaged fruits and vegetables, peelings, and weeds make rich compost. Suitable for individual home usage or in community compost areas.
